

The kind of people that trust Aztec come from all walks of life. They are all ages and can be at any of the different stages in life's journey.

- 1 They may be new home or first home builders with a young or small family. They need a fantastically designed and built home but they have a strict budget.
- 2 They may be young professionals that want a unique new Home that represents their lifestyle and ideals.
- 3 They may be about to build their second or third home – they know what they want and have already made mistakes to prove it.
- 4 They may have a growing family, older kids or extended family and need something a little different. Or just more space.
- 5 They may be looking to retire and downsize but still need room for the toys.

## WE HELP ALL OF THESE PEOPLE...

The kind of people that trust Aztec all have several things in common:

- They are looking for **friendly and knowledgeable professionals** who will help them solve all the problems that are associated with any New Home or Renovation Project.
- They are looking for a company that will work closely with them and build a relationship based on **trust and respect**.
- They are looking for a company that can provide **exceptionally high quality** workmanship at a very reasonable price point.

It's a simple formula. At Aztec we strive to build beautiful homes and wonderful relationships. We help new Home Builders navigate the Design and Construction process without hassles, without headaches and without blowing their budgets.

# Who we are?

Aztec Construction & Development was founded in 2016 to help people Design and Build their new Home and Renovation Projects with the assurance of excellent customer service, the highest quality finish, short construction times and a problem free experience.

At Aztec, **we specialise in building custom, quality and prestige Architect designed homes** throughout the entire Perth Metropolitan and Outer Rural areas.

From the outset our friendly and professional staff will assist you in every way. We listen to you and respond to your queries. We are always accountable and available. Our goal is to build strong relationships with our clients that will last beyond the process and well into the life of their Project.

As experts in building both timber frame and brick homes our team of experienced builders sets the bar high. We ensure that all the elements of our buildings are constructed with consummate craftsmanship and to the utmost of standards.

**We can help you to finally move into the House you've always wanted...**
